

Marriage Vows Renewed By 350

Three hundred fifty couples renewed marriage vows at a retreat for married couples conducted at the St. Lawrence

Martyr Catholic Church Jan. 21 by Rev. Father Edward Collins, O.M.I., of San Fernando, of the Oblate Fathers. Pointing up the need to restore to Christian people a basic pride in the states of marriage and parenthood, Father Collins emphasized the dignity of marriage as instituted by God himself, suggested solutions for difficulties in marriage, and discussed raising of children.

A radio-cast lecture on "Christian Science: Its Liberating Principle" will be heard over Station KPOB (1020 kc) Sunday at 3 p.m. from Fifteenth Church of Christ, Scientist, Los Angeles. The lecturer is Arch Bailey, C.S., of San Francisco, a member of The Christian Science Board of Lectureship.

Christian Science breaks the grip of matter

Many people have been healed of apparently hopeless troubles and diseases through prayer in Christian Science.

They have found a better way of life. They have gained, or regained, peace and confidence.

How anyone can learn to pray understandingly, effectively, is fully explained in the first chapter of Science and Health with Key to the Scriptures by Mary Baker Eddy. Such prayer is the spiritual understanding of God and of man in His "image and likeness," as the Bible teaches.

Science and Health may be read or borrowed at any Christian Science Reading Room. Send 13 for a copy postpaid.
